

HOW TO USE MATH TO INVENT DR. PO-SHEN LOH

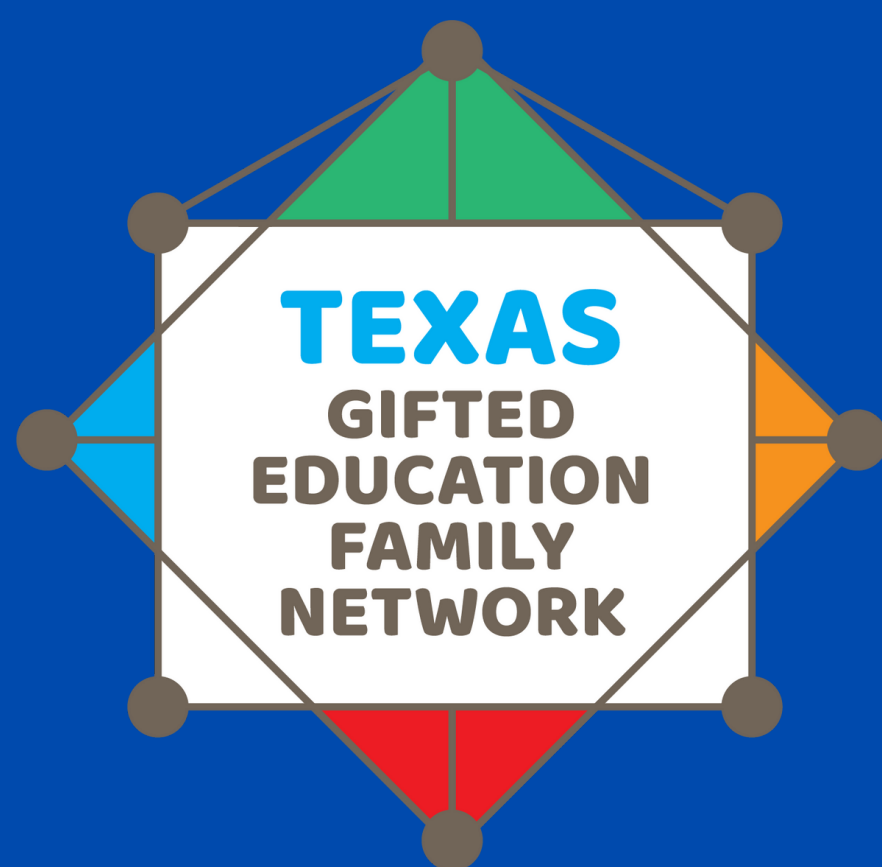

DATE: Tuesday January 25, 2022

TIME: 7pm CST, on Zoom

Registration: bit.ly/GEFNmath2022 or Scan QR code

GEFN members are invited to a **FREE** live middle school family event with Dr. Po-Shen Loh. Dr. Loh is a Math Professor at Carnegie Mellon University, serves as the National USA International Math Olympiad Team Coach, and was awarded the USA Presidential Early Career Award for Scientists and Engineers in 2019. He is passionate to share his love of math and its creativity with everyone. In this session, open to all GEFN families (recommended 5th-8th graders), families will experience an interactive session and an opportunity for Q&A with Dr. Loh.
